

## Queensland Coastal Conference 2009

Tuesday 12 May - Friday 15 May 2009

Sea World Resort, Queensland

Tuesday 12 May 2009			
8:45am	Registration Opens		
9:15am - 4:00pm	Queensland Coastal Councils Group (QCCG) Forum - refer to separate program Room: Dolphin Bay Room		
Wednesday 13 May 2009			
7:30am	Registration Opens		
	<b>Conference Opening</b> Chair: Sean Galvin Room: Ocean Room		
8:30am	Welcome from Conference Convenor		
8:35am	Welcome to Country		
	<b>Plenary Session 1</b> Chair: Sean Galvin Room: Ocean Room		
8:40am - 9:00am	Government Address: TBA		
9:00am - 10:00am	Title: TBA Clive Cook - EPA		
10:00am - 10:45am	Keynote Presentation: Biodiversity Survival - from Reserves to the Entire Landscape Mike Berwick - Qld Regional NRM Groups Collective and Terrain NRM		
10:45am - 10:50am	Introduction to concurrent session themes & workshop participation process from Technical Program Chair		
10:50am - 11:20am	Morning Tea		
	<b>Theme: Planning, Policy and Politics</b> Chair: Sean Galvin Room: Ocean Room	<b>Theme: Coast and Marine Assets</b> Chair: Neil Tindale Room: Dolphin Bay Room	<b>Theme: In Action not Inaction</b> Chair: Sue Sargent Room: The Melrose
11:20am - 11:40am	Invited Presentation: Climate Change in Queensland- From Science to Policy Lynne Turner - Queensland Climate Change Centre of Excellence	Assessing the Ecosystem Services provided by South East Queensland's Coastal Assets Simone Maynard - SEQ Catchments Ltd	The Burnett Mary - Planning Coastal & Marine Management from the ground up Sue Sargent - Burnett Mary Regional Group
11:40am - 12:00pm	Invited Presentation: Adapting to Change and Finding the Opportunities Di Tarte - SEQ Healthy Waterways Partnership	Changes to dunes caused by 4WD vehicle tracks in beach camping areas of Fraser Island Luke Thompson - USC	Federation Walk Coastal Reserve Management Partnership Jodie Clifford - Gold Coast City Council
12:00pm - 12:20pm	Invited Presentation: Preparing Coastal Communities for Long-Term Environmental Changes Simon Warner - SEQ Catchments Ltd	Caboilture Shorebird Habitat Mapping Project Siobhan Bland - Moreton Bay Regional Council	Land, Water, Waste and Community – Current best practice for Local Government motivated towards Reef protection Paul Groves - GBRMPA
12:30pm -1:30pm	Lunch		
	<b>Theme: Climate Change</b> Chair: Susie Chapman Room: Ocean Room	<b>Theme: Coast and Marine Assets</b> Chair: Greg Stuart Room: Dolphin Bay Room	<b>Theme: Relationships - People and Communities</b> Chair: Natalie Mogg Room: The Melrose
1:30pm - 1:50pm	Invited Presentation: Demonstrating 'Climate Proofing' for Coastal Local Government Authorities and Communities in the South East Queensland and Burnett-Mary Regions Peter Waterman - USC	A framework (with software) for assessing the health of, and risk to, Queensland's estuarine wetlands: examples of outputs and outcomes from the Burnett Mary NRM region David Schellinga - EPA	Communicating Coastal Conservation - Getting the Message Through Leonie Maddigan - NQ Catchments
1:50pm - 2:10pm	Invited Speaker: Climate Change and Coastal Management: Making Decisions In The Face Of Uncertainty Andrew Ash - CSIRO	Monitoring beach impacts: a case for ghost crabs as ecological indicators? Serena Lucrezi - USC	Traditional Owner Engagement - The Girringun Way Phil Rist - Girringun Aboriginal Corporation
2:10pm - 2:30pm	Coastal Vulnerability Principles for Climate Change Peter Helman - Griffith University	Mangroves as Indicators of estuarine condition: the results of aerial surveys from five NRM regions in eastern Queensland Norm Duke - University of Queensland	Enriching Relationships: Community Engagement toward Sustainable Coastal Futures Shannon Satherley - QUT
2:30pm - 2:50pm	The capacity of local government to support adaptation to climate change for coastal communities: a case study in the Great Barrier Reef region Anne Leitch - CSIRO	Numerical simulation of moored vessel movements due to passing ships within the Port of Brisbane Simon Mortensen - DHI Water & Environment	Protecting the Green Behind the Gold: Integrating Catchment Management in Gold Coast City Nathan Waltham & Kris Boody, Gold Coast City Council
3:00pm - 3:30pm	Afternoon Tea		
	Workshops		
	<b>Theme: Planning, Policy and Politics</b> Chair: John Gunn Room: Ocean Room	<b>Theme: Coast and Marine Assets</b> Chair: Toni Edmondson Room: Dolphin Bay Room	<b>Theme: In Action not Inaction / Relationships - People and Communities</b> Chair: Leonie Maddigan Room: The Melrose
3:30pm - 4:15pm	Planning for Storm Surge and Rising Sea Level Roger Tomlinson - Griffith University	Cooperative management of coastal reserves Lyn Wallace - EPA	The use of chemical indicators to source human, animal and bird pollution of Fraser Island lakes and streams Daryle Sullivan - USC
4:15pm - 5:00pm	Promoting innovation in small island communities using a community engagement and capacity building framework John Parke - Marketing for Success Pty Ltd		
6:00pm - 8:00pm	Welcome Reception Venue: Waterfall Café, Sea World Resort		

<b>Thursday 14 May 2009</b>			
7:55am - 8:45am	<b>Shark Bay Experience (optional)</b> Venue: Sea World		
	<b>Plenary Session 2</b> Chair: Sean Galvin Room: Ocean Room		
9:00am - 9:45am	<b>Keynote Presentation: Climate Change and the Coastal Zone: Science, Uncertainties and Risks</b> Will Steffen - ANU		
9:45am - 10:05am	<b>Keynote Presentation: Torres Strait Islander Perspectives on Coastal Management and Climate Change</b> John (Toshie) Kris - Chair, Torres Strait Regional Authority		
10:05am - 10:30am	<b>Caring for our Country</b> Hilton Taylor - DEWHA		
10:30am - 11:00 am	Morning Tea		
	<b>Theme: Planning, Policy and Politics</b> Chair: John Gunn Room: Ocean Room	<b>Theme: Coast and Marine Assets</b> Chair: Linda Durham Room: Dolphin Bay Room	<b>Theme: In Action not Inaction / Relationships - People and Communities</b> Chair: Leonie Maddigan Room: The Melrose
11:00am - 11:20am	<b>Invited Presentation: Townsville City - Integrating Sustainability in the Coastal Zone, an example from Tropical Queensland</b> Greg Bruce - Townsville City Council	<b>Invited Presentation</b> Eva Abal - SEQ Healthy Waterways Partnership	<b>From Small Things, Big Things Grow</b> Donna-Marie Audas - Qld Wetlands Program
11:20am - 11:40am	<b>The Queensland Coastal Plan: meeting contemporary coastal protection challenge</b> Toni Edmonson - EPA	<b>The Emission, Transport and Deposition of Aeolian Ammonia From Poultry Farm to Pumicestone Passage: Use of TAPM to Estimate Annual Loading</b> Aaron Wiegand - USC	<b>Community and Organisation Change: The Key to Coastal Sustainability</b> Sally Kirkpatrick - Griffith University
11:40am - 12:00pm	<b>Can we minimize the impact of vessel moorings on coastal habitats? An inter-agency management approach in Queensland</b> Kurt Derbyshire - Qld DPI&F	<b>Using observed market expenditure to estimate the value of recreational surfing to the Gold Coast, Australia</b> Neil Lazarow - Griffith University	<b>Management in action: addressing the impacts of instream structures on Declared Fish Habitat Areas in coastal Queensland</b> Mary Lawrence - DPI&F
12:00pm - 12:20pm	<b>Improving Urban Water Quality in the Dry Tropics Coastal Zone</b> John Gunn - C2C	<b>A review of the use of geotextile erosion protection structures in the coastal zone</b> Paul O'Keefe - GHD	<b>Practical Change for Queensland's Wetlands</b> Cassie Price - WetlandCare Australia
12:30pm	Lunch		
	Field Trips		
1:00pm - 5:30pm	<b>Field Trip 1 - Community Management</b>	<b>Field Trip 2 - Managing Competing Interests</b>	<b>Field Trip 3 - Marine Rescue</b>
7:00pm - 11:00pm	<b>Conference Dinner</b> Venue: Paradise Room, Sea World		
<b>Friday 15 May 2009</b>			
	<b>Theme: Coast and Marine Assets</b> Chair: John Gunn Room: Ocean Room	<b>Theme: Planning, Policy and Politics</b> Chair: Simon Brown Room: Dolphin Bay Room	<b>Theme: Coast and Marine Assets</b> Chair: Shane Westley Room: The Melrose
9:00am - 9:20am	<b>Towards Understanding the Ecological Health and Character of Moreton Bay</b> John Bennett - EPA	<b>A review of Queensland Local Government experiences in developing and implementing Shoreline Erosion Management Plans (SEMP)</b> Shannon Hunt - Gold Coast City Council	<b>Evaluating our coastal plans and policies: what's in a framework?</b> Michelle Walker - Michelle Walker & Associates
9:20am - 9:40am	<b>What happens when it rains in the Logan-Albert Catchment?</b> Joanne Burton - SEQ Healthy Waterways Partnership	<b>Coastal safety and risk management - an imperative for Queensland</b> George Hill - Surf Life Saving Queensland	<b>Invited Speaker:</b> <b>Coastinfo - a one start shop for coastal planners and managers</b>
9:40am - 10:00am	<b>Sustainable Planning for Aquaculture in the Great Sandy Region</b> Samantha Miller - DPI&F	<b>Assessment of Coastal Hazards - CoastSAFE Alive Australia</b> Darrell Strauss - Griffith University	<b>Invited Speaker:</b> <b>Marine Scientist, Sea World</b>
10:10am - 10:40am	Morning Tea		
	<b>Plenary Session 4</b> Chair: Greg Stuart Room: Ocean Room		
10:40am - 11:10pm	<b>Invited Presentation: Go West Young Man</b> Simon Baltais - Wildlife Preservation Society		
11:10pm - 11:40am	<b>Riding the Waves of Change: Towards a joined up planning approach for coastal management</b> Darryl Low Choy - Griffith University		
11:40pm - 12:10pm	<b>Keynote Presentation: Promoting a Queensland chapter of the Australian Coastal Society (ACS)</b> Bruce Thom - Australian Coastal Society		
12:10pm - 12:40pm	<b>Background &amp; Introduction: Need for a coastal management authority in Queensland (from 2007 Qld Coastal Conference)</b>		
12:40pm - 1:40pm	Lunch		
1:40pm - 3:00pm	<b>Workshop</b> Chair: Sean Galvin Room: Ocean Room		
	<b>Need for a coastal management authority in Queensland (from 2007 Qld Coastal Conference)</b>		
3:00pm - 3:30pm	<b>Conference Closing</b> Chair: Sean Galvin Room: Ocean Room
